Hi Alex. Carl mentioned that you would like to see our reply brief. It's going to be moving pretty quickly next week, which is short, so as with David Fotouhi, I think this version would be a good one for you to look at if you have time over the weekend. But bear in mind that the team has not commented on the second half yet.

Thanks. Tim

Subject: RE: Draft Reply Brief in Maine for Review

David – we have received a draft reply brief for remand. This draft reflects staff level review of the response to Maine's brief, but this is the first draft of the response to the Tribes' we have seen.

We are commenting to Dave by noon Tuesday and then he will turn it around for senior level review. However, in the event you preferred to review this draft over the weekend in light of the short week next week and in case you wanted to gauge/think about timing for Matt's review in light of the draft, I'm sending it to you now. Of course, we would welcome your input on this draft if you decide to review it.

Have a good weekend.
